The purpose of this visit was to engage with the elderly residents, spread joy, and create awareness about our upcoming event.

The primary objective of the visit was to promote our college's National level fest, Sargam 23, and create a positive impact on the lives of the elderly residents. We aimed to provide them with a memorable experience and foster a sense of community and inclusivity. A fest isn't only about competition and enjoyment it's also about creating an atmosphere of happiness.

Upon arrival, the students and faculty members from New Horizon Educational Institution were warmly welcomed by the staff and residents of the Old Age Home named Mathrushree.

The students engaged in meaningful conversations with the elderly residents, listening to their life stories, experiences, and wisdom. To entertain the residents, the students organized various cultural performances, including singing, dancing, and skits. This brought smiles to their faces and created a lively atmosphere.
